Introduction – Name: Rwad Room

Rwad means pioneer, trailblazer, or explorer.
In modern arabic, it mean entrepreneur.

What are we building?

A community of people who go first, build what didn't exist, and open the path for those who come after them.

Why are we building?

Because as a SME, you are the backbone of the region's economy.

Brand Personality Type: The Explorer – Bold, Open, Community centric

Logo

The final version is a clean and direct representation of the brand through a single R. It focuses on clarity and recognition, creating a strong and minimal mark that clearly reflects the name directly.

Brand Colours – 1

Foundation

Royal Blue

Trust, authority, and forward momentum. Royal Blue does that on first sight, while its saturation keeps the brand feeling alive and fast-moving — never slow or bureaucratic.

#1A3FC4

Hero

Soft White

Openness, clarity, and breathing room. A very subtle warm tint that prevents the harshness of a clinical background. It keeps the platform feeling human and approachable rather than sterile.

#F7F8F2

Accent

Portland Orange

Energy, urgency, action
Warmth. Reserved for the moments that demand attention.

#FF5733

Neutral

Ink

Depth, legibility, and groundedness. A near-black with a cool blue undertone.

It creates rich, premium-feeling dark surfaces without the harshness of pure black.
